INDEPENDENT AUDITORS' REPORT

Board of Directors

Blakeslee & Blakeslee, Inc.

San Luis Obispo, California

We have audited the accompanying balance sheet of Blakeslee & Blakeslee, Inc. as of December 31, 2004, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of Blakeslee & Blakeslee, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Blakeslee & Blakeslee, Inc. as of December 31, 2004, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

BLAKESLEE & BLAKESLEE, INC. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2004

Note 1 - Summary of Significant Accounting Policies

A. Nature of Business

Blakeslee & Blakeslee, Inc. (the Company) is a broker for the sales and exchanges of securities. The Company was incorporated January 31, 1984. The Company transacts business with its clients in and around San Luis Obispo and Santa Barbara Counties.

B. Significant Accounting Policies

The Company is required by the Securities and Exchange Commission to comply with certain provisions and disclosures relating to the possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission.

The provisions of section (k)(2)(A) under Customer Protection Rule 15c3-3 are not applicable since the Company carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with their activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to customers.

C. <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Cash and Cash Equivalents

The Company considers cash equivalents to be highly liquid debt instruments purchased with a maturity of three months or less.

E. Income Taxes

The Company accounts for income taxes under Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes". Income taxes are provided on the temporary differences between income for financial statement and tax purposes. Deferred taxes resulting from timing differences between financial and tax reporting is considered to be immaterial to the financial statements and have therefore not been provided.

F. Property and Equipment

Property and equipment are stated at cost and depreciated over estimated useful lives on a straight-line or accelerated basis ranging from 5 to 39 years. Repairs and maintenance and small equipment purchases are expensed as incurred. Expenditures that significantly increase asset values or extend useful lives are capitalized.

INDEPENDENT AUDITORS' REPORT ON THE INTERNAL CONTROL STUCTURE REQUIRED BY RULE 17a-5

Board of Directors
Blakeslee & Blakeslee, Inc.
San Luis Obispo, California

In planning and performing our audit of the financial statements of Blakeslee & Blakeslee, Inc. for the year ended December 31, 2004, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Blakeslee & Blakeslee, Inc. that we considered relevant to the objectives stated in rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness or (aggregate debits) and net capital under rule 17a-3(a)(11) and the reserve required by rule 15c3-3(3)(3); (2) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13; (3) in complying with the requirements for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (4) in obtaining and maintaining physical possession or control of all fully paid excess margin securities of customers as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Board of Directors Blakeslee & Blakeslee, Inc. Page 2

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected in a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2004, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
